IN ANTIGUA, GUATEMALA

We've arrived safely in Guatemala. There were no problems or hassles. Thank you for your prayers.

John & Jan Lohrenz have been wonderful hosts, and we have been welcomed well.

We begin language school Monday morning in Antigua where we will live with a Guatemalan family, so when we ask to "pass the biscuits and gravy" it will need to be in Spanish!

Please continue to pray for our children in Dallas and New York and Mom in Tyler. Also pray the Lord will loosen our tongues and clear our brains so we can quickly learn Spanish.

With much love and appreciation,
Wendell & Dianne
