Subject: Church celebration

FROM ANTIGUA, GUATEMALA

Last Sunday we accompanied John and Jan Lohrenz to a small church in Escuintla here in Guatemala for a special day. This church is a plant and daughter of a larger church in the Capital at which John serves as an elder. The daughter church was celebrating its third anniversary and John preached the sermon.

The church services are strictly in Spanish of course. Dianne and I sat and listened to John, sang, worshipped and enjoyed the two-hour service. (By the way, it was a good opportunity for us to practice our Spanish.) Immediately afterward, the church had lunch on the grounds, and we enjoyed grilled beef, tortillas, a slaw-like salad, and sweet rice drink. It was great. We have included some photos.

We are enjoying the sweet and tender times of good conversation with friends here, worship, seeing God at work, recognizing God's care for us and for others all around.

Thanks for praying and remembering us. We are linked with you in God's family even though we are away from you for a season.

With much love and appreciation,
 Wendell & Dianne
