FROM GUATEMALA

We wrote you a few months ago of Albert Philippi, a godly man who was memorizing scripture and Christian poems at the ripe age of 99 + years. He was to celebrate his 100th birthday on December 21, but the Lord in His wisdom and perfect timing had a better idea and took him Home on Thanksgiving Day.

What an encouragement Grandpa Philippi was, and will continue to be, to so many of faithfulness to God. God is never finished using his children until the day He calls us home. And then an eternity of truly praising God begins! Start practicing now, don't wait!

*Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners or sit in the seat of mockers. **But his delight is in the law of the LORD, and on his law he meditates day and night.** He is like a tree planted by streams of water which yields its fruit in season and whose leaf does not wither. Psalm 1:1-3*

We will be at our home in Dallas, the home we share with Neil, Brandy, Finley and Cameron, from December 20 to January 11. Even though the season is busy, we hope to see many of you!

We are thanking God for all His has done and for you, our faithful prayer partners!

With much love and appreciation,
Wendell & Dianne
