¡Amigos, hola de Guatemala!

Six weeks ago, we emailed you about our trip to Texas during October to visit family. We want to give you an update.

The primary purpose of the trip was to help our family and Dianne's mother, Faye. She has recently been diagnosed with the early stages of Alzheimer's and on September 16 moved into an assisted-living facility in Tyler, Texas because she is no longer able to live alone.

Thank you for praying concerning the best long-term living situation for Faye, extensive family discussions, and clarity in specific decisions. All were accomplished – the Lord even graciously provided the use of a vehicle. God has blessed us again!

Thank you for being a part of our lives and ministry!  
Wendell & Dianne
